AMENDMENT

Dear Sir:

In response to the Office Action dated March 15, 2002, please amend the above-captioned application as follows.

IN THE CLAIMS:

Please add the following claims:

26. A system for selectively replacing a first bar and a first set of folding boards with a second bar and a second set of folding boards, said system comprising:

a first frame assembly secured to a first bar and a first set of folding boards, said first frame assembly being rotatable about an axis for placing said first bar and said first set of folding boards into a web-receiving position;

a second frame assembly secured to a second bar and a second set of folding boards, said second frame assembly being rotatable about said axis such that said second bar and said second set of folding boards are also capable of being placed into said web-receiving position, said second frame assembly being in operative
